## **Route Directions:-**

**Located in Tughlakabad Extension, South Delhi it is just near to Alaknanda GK-II.**

The easiest way to reach us is to take the Outer Ring Road which leads to SAVITRI Flyover. Turn towards GK-II from under the Savitri Flyover (i.e. Right Turn if coming from Chirag Delhi Flyover or Left turn if coming from Nehru place flyover).

Go straight for 1 KM and then take a left turn for Alaknanda (Hamdard University). Keep on going straight (you will pass Don Bosco School & Alaknanda Mkt on your Left) till you reach the Tara apartments' Crossing. Take a left turn from this crossing and then make a Right turn from the first traffic signal (towards the road which heads towards Okhla Ph-1).

300 meters ahead, on your left side you will see a Gurudwara (high white building). Next to this Gurudwara is TA-327; that's our office!!

If u get stuck anywhere just give us a call.
